We have the last two months reports, Jan and Feb 2022, and we will add more later. Some months in the summer are missing, so Tyric has asked for folks to send any minutes people wrote up. One month there was no meeting ( July). Layla(Exchr) will send forms to Tyric each month. Tyric/Layla will get rid of other folders, to lessen the places to input reports.

Someone has asked if we can get the current shire website to show up on the Google Search.

Google has a way to position webpages. When googling our shire, Antir.com comes up, but not our shire.
