Past News:

Bar Gemels was a great space for future events. There was a great Shire attendance.

Acorn War: we can't use the same space for Bar Gemels due to Sept date. We can't use the MSD's land on Hill Rd, due to harvest.

October 9th is the only other date possibly available. Myvanwy is trying to reach the Summits officials to find out if that weekend is open.

Asny suggested calling it Acorn War 29 ½ -1 day event and wait for 30 year next year.

Sora will check with Ken to see if he has an interest or opening.

***Asny would like to make a set decision to either have found a spot for a weekend Acorn War 30 year either in Sept or Oct OR turn it into a day event and do a 29 ½ yr OR postpone till next year.
